

Be a Part of World Walk

Join Manny and be a part of Samaritan's Feet's "World Walk" as people around the world walk to put shoes on the feet of children who do not have them.

Samaritan's Feet Founder, Emmanuel (Manny) Ohonme will walk 300 miles in his bare feet. He will begin his journey in Charlotte, NC at the Lowe's Motor Speedway on October 11th and finish in Atlanta, GA at the Atlanta Motor Speedway on October 26th.

You can do it at your house, your kid's games or where ever you are. Walk 1 mile for children around the world who don't have shoes. Samaritan's Feet goal is to raise \$1,000,000 and 300,000 pairs of shoes during his 300 mile journey.

Gathering and shipping millions of pairs of shoes halfway around the world and delivering them directly to those who need them presents its own unique challenges and costs. Financial contributions make it all happen. If you are able, please support Samaritan's Feet--every dollar helps.

Samaritan's Feet is an organization focused on bringing a life-changing message of hope to youths and children through sports and recreational adventures.
